

IMPORTANT NOTE

PLEASE READ CAREFULLY BEFORE SIGNING UP TO OUR SERVICE AND OPENING AN ACCOUNT WITH US (WHETHER OUR BASIC OR PREMIUM SERVICE)

Our Services

Beyond Encryption Limited (referred to as “Us”, “We” or “Our”) offer users (“Users”, “You” or “Your”) the following two email encryption services (“Services”):

1. A free of charge service which allows Users to apply an encryption to their standard email facility thereby enabling them to send and receive emails with enhanced security features with 3 initial attachments (of a size not exceeding 1MB per attachment) (“the **Basic Service**”); and
2. A premium, subscription based email encryption service, as above, with unlimited attachments, increased file size allowance and added email functionality, as set out in further detail at www.besecuremail.com (the “**Premium Service**”).

The Services are not an alternative email service. The Services enable the User to apply encryption to their existing email facility. The User remains responsible for determining whether the level of security it applies to that facility is sufficient for its intended communication and is also responsible for determining whether any other security requirements should be applied or incorporated into its existing infrastructure.

Our Contract with You

These are the sole terms and conditions (“**Terms**”) on which We supply each of Our Services and they shall operate to the exclusion of all other terms and conditions which may be applied, or sought to be applied, other than those which it is not permitted under law for Us to exclude or limit the application of.

You must read these Terms carefully before You submit Your order for either Service (“**Order**”). By clicking on the “**I Accept**” button below, You agree to the Terms and once You accept, these Terms will become binding on You.

Please note that the Terms include, in particular, limitations on liability in clauses 18 and 19.

If You do not agree to the Terms, We shall not provide You with the Services and You must discontinue the Service ordering process now.

Please note that when You submit the Order, this does not mean that We have accepted Your Order for Services. Our acceptance of the Order will take place as described in clause 6.5 of the Terms at which point a legal contract will come into existence between You and Us.

If We are unable to supply You with the Services, We will inform You of this and We will not process the Order.

Operating System Requirements: This Service requires (as a minimum) Internet Explorer 9 or a later version thereof, or a compatible internet browser. The Service may also be accessed on mobile devices using an Apple, Android or Windows mobile applications and such other applications as may be introduced by Us from time to time. We cannot guarantee that all applications will be available and such decision will be based on User requirements and preferences.

PLEASE NOTE

If You are subscribing to the Premium Service You will be forwarded to a payment page where You will be required to complete Your subscription payment via one of Our secure payment options.

By clicking on the “**Pay Now**” button, You understand that Your nominated payment method will be processed and Your obligation to pay for the Premium Service will become binding, however if You are purchasing the Premium Service as a consumer (as defined in section 2 of the Consumer Rights Act 2015) (“**Consumer**”), then Your statutory rights as a Consumer will not be affected.

After Your Order is accepted by Us, You will have the opportunity to access the Services within Your fourteen (14) day cancellation period. If You request such early access, You acknowledge that You will lose Your right, under the Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013, to a full refund if You subsequently do cancel the contract within the fourteen (14) day period. Please see clause 22.2 in the Terms for a further explanation.

These Terms are important and We recommend that You read a copy of them before You submit Your Order to Us and that You also retain a copy for Your records. We have made every effort to assure the accuracy of all information but We reserve the right to correct any errors, whether in pricing, description, specification, etc. Any prices and specifications quoted are subject to change without notice.

10 ADAPTERS AND TECHNOLOGY

- 10.1 In order to send a secure communication using Our Services, You need:
- 10.1.1 an Adapter; and
 - 10.1.2 Your own Payload Store.
- 10.2 As part of Our Services We provide You with access to and use of the following Adapters:
- 10.2.1 an Email Plug-in;
 - 10.2.2 a Mobile App; and
 - 10.2.3 for use by commercial Users an enterprise adapter,
- 10.3 Please note the 'minimum operating system requirements' which We require You to use with the Technology as set out
- 10.4 You may access the Technology as part of the Services and download the selected Adapter to Your own properly licensed email programs. An Adapter is required to send an email using Our Services.
- 10.5 You acknowledge and agree that You control the release of Your email to the Recipient, whether by an Adapter or otherwise.
- 10.6 Where You choose to allow a Recipient to access an email other than by an installed Adapter (most likely via an internet browser), which is the default mode, the encryption keys will be held within Our infrastructure. As such We will (technically) have visibility of the encryption keys and knowledge of the locations of Your communications within Your Payload Store. You acknowledge and agree that this may be considered by some organisations as a reduced level of security (in comparison to Our Services whereby both You and the Recipient access emails using an enhanced Adapter). Please consult with Your IT support provider whether You may require additional security features for Your intended email transmissions.
- 10.7 Sending and receiving an email using our enhanced Adapter is the most secure method of transmission as the email is encrypted and released using an encryption key which is controlled and held by You and passed by you to the Recipient. This mode of operation offers the best User experience and a delivery mechanism in which We never store the encryption keys that secure files deposited in your Payload Store. This operating mode requires any new Recipient to firstly 'connect' with You so as to be approved to share encryption keys.
- 10.8 We hereby permit You to use the Technology, for the duration of Your contract only, to access the Services for Your own use only.
- 10.9 We shall use reasonable endeavours to ensure that the Technology is virus free but We cannot guarantee that it is and You must install appropriate security protection, including but not limited to adequate virus prevention software, and where it is appropriate have a secure firewall as part of Your IT infrastructure to secure Your communication transmissions.
- 10.10 You acknowledge that the Technology and the Services have not been developed to meet Your individual requirements, and that it is therefore Your responsibility to ensure that the facilities and functions of the Technology and the Services as described on the Website meet Your requirements.
- 10.11 This right to use this Technology is personal to You, however You may download, install and use the Email Plug-in on multiple email programs provided that all the email addresses You use this Email Plug-in with have been registered on Your account.

10.12 You shall not, except as may be allowed by any applicable law which is incapable of exclusion by agreement:

10.12.1 attempt to copy, modify, duplicate, create derivative works from, frame, mirror, republish, download, display, transmit, or distribute all or any portion of the Technology in any form or media or by any means; or

10.12.2 attempt to reverse compile, disassemble, reverse engineer or otherwise reduce to human-perceivable form all or any part of the Technology.

10.12.3 create any software that is substantially similar to the Technology.

10.13 You shall not provide or otherwise make available the Technology in whole or in part (including object and source code), in any form to any person without prior written consent from Us.

10.14 You have no right to have access to the Technology in source-code form.

11 SERVICE CONTINUITY

11.1 We shall use Our reasonable endeavours to ensure that the Services are provided continuously and that access to the Website is not interrupted by any matter within Our control but We do not guarantee such uninterrupted Services. We draw Your attention to the provisions of clause 11.2 and clause 26.

11.2 If Our supply of the Services is delayed by an event outside Our control then We will contact You as soon as possible to let You know and We will take steps to minimise the effect of the delay. Provided We do this We will not be liable for delays caused by the event, but if there is a risk of substantial delay You may contact Us to end the contract and receive a refund for any Services You have paid for but not received.

11.3 We will notify You in advance of any planned downtime, which, if reasonably practicable, will be scheduled outside of normal United Kingdom office hours.

11.4 We shall establish, maintain, and review Our own internal processes and procedures with respect to the identification of any threats or risks to the provision of the Services, how such threats and risks may be mitigated and how the provision of the Services may be maintained in the event of any such identified threats or risks materialising.

11.5 The nature of internet communications means that Our Services and/or software may be susceptible to data corruption, interception, non-availability and delays. Please ensure You have backed-up copies of all the data You send via the Services. Whilst We make all commercial efforts to protect Your data, We shall not be responsible for any loss or damage of the same.

12 IF THERE IS A PROBLEM WITH THE SERVICES

12.1 In the unlikely event that there is a problem with the Services please notify Us of the problem as soon as reasonably possible at support@beyondencryption.com.

12.2 We will use every effort to repair or fix the defect as soon as reasonably practicable.

13 OUR RIGHTS TO MAKE CHANGES

13.1 We may change the Services:

13.1.1 to reflect changes in relevant laws and regulatory requirements; and

13.1.2 to implement technical adjustments and improvements, for example to address a security threat. These changes will not affect Your use of the Services.

13.2 In addition, as We informed You in the description of the Services on the Website, We may make more significant changes to the Services, or even terminate the Services due to User preferences and demand, but if We do so We will notify You and You may then contact Us to end the contract before the changes take effect and receive a refund for any Services paid for but not received:

14 INTELLECTUAL PROPERTY

14.1 You acknowledge that all intellectual property rights in the Technology anywhere in the world belong to Us or Our licensors, that rights in the Technology are licensed (not sold) to You, and that You have no rights in, or to, the Technology other than the right to use each of them in accordance with these Terms

15 CHARGES

Unless otherwise agreed expressly in writing:

15.1 There is no charge for opening an account with Us for the Basic Service.

15.2 Our Premium Service is a subscription based service which shall continue for an initial 12 month subscription term and thereafter Your contract shall automatically renew for successive periods of 12 months unless and until either We or You cancel the contract.

15.3 The Fee will be charged annually in advance.

15.4 However if You exercise Your rights as a consumer to cancel this contract in accordance with the provisions of clause 22, You will be entitled to a full or proportionate refund as appropriate in accordance with clauses 22.1 and 22.2.

15.5 We reserve the right to increase the Fee from time to time, but changes will not affect any Order for such Premium Service account which You have already placed.

15.6 You will pay the Fee quoted on the Website at the time You submit Your Order for the Premium Service.

15.7 At the end of Your first Premium Service subscription year and any further subscription years, You will be charged the Fee for subsequent 12 month periods at the then current rate for the Premium Service.

15.8 The Fee for the Premium Service will be in pounds sterling and shall include VAT (where applicable) at the applicable current rate chargeable in the UK for the time being.

16 PAYMENT

Unless otherwise agreed expressly in writing:

16.1 We only accept payment for the Services via Paypal.

16.2 Upon submitting Your Order and paying via Your Paypal account, You confirm that:

16.2.1 the Paypal account is properly registered to You; and

16.2.2 the payment card that is being used for Your Paypal transaction is Yours.

- 16.3 You understand that You are signing up to a subscription based Service and therefore You authorise Us to invoice You and bill such Paypal account:
- 16.3.1 for the annual Fee set out on the Website, on or after the date We accept Your Order for the initial 12 month subscription period; and
 - 16.3.2 subject to clauses 22 and 23, for the then current annual Fee, on each anniversary of such date for the next 12 month subscription period and so on.
- 16.4 All amounts and fees stated or referred to in this agreement:
- 16.4.1 shall be payable in pounds sterling;
 - 16.4.2 are inclusive of value added tax at the appropriate rate (where applicable).
- 16.5 We shall be entitled to increase the annual Fee for the Premium Service from time to time on 60 days' prior notice to You before the next Fee payment is deducted from Your account.
- 16.6 If We have not received payment within 14 days after the due date, and without prejudice to any of Our other rights and remedies We may, without liability to You, disable the Your password, account and access to all or part of the Services and We shall be under no obligation to provide any or all of the Services while the invoice(s) concerned remain unpaid.
- 16.7 If You dispute an invoice in good faith and contact Us to let Us know promptly after You have received an invoice that You dispute it, clause 15.6 will not apply for the period of the dispute.
- 16.8 If PayPal refuses to authorise payment to Us, We will not accept Your Order. We will not be obliged to inform You of the reason for the refusal and We will not be liable for any delay or non-delivery of the Services. We are not responsible for Your card issuer charging You as a result of Our processing of Your payment in accordance with Your Order.

17 WARRANTIES AND DISCLAIMER

- 17.1 We undertake, warrant and represent to You on an ongoing basis that We have all the rights and permissions necessary (including intellectual property rights) to provide You with the Services, however We are not obliged to consider whether the Services are sufficient or appropriate for any particular or actual circumstance in which You wish to use them and We give no assurances of its suitability to the same.

This clause 22.1 only applies if You are a consumer

- 22.1 You may cancel an Order for Services at any time within 14 days of placing an Order (**Cancellation Period**). This means that during the Cancellation Period if You change Your mind or decide for any other reason that You do not want to receive the Services or keep Your account, You can notify Us of Your decision to cancel the Contract and receive a refund.

- 22.2 However this cancellation right does not apply if You have expressly requested that We provide You the Services prior to the end of the Cancellation Period by clicking on the appropriate box after You have placed Your Order and We have started to provide the Services to You. In this case You must pay the Fee for any period that the Services were made available to You up to the date that You told Us that You wanted to cancel. We will tell You what refund You are due when You contact Us.
- 22.3 To meet the cancellation deadline and cancel the contract within the Cancellation Period, it is sufficient for You to notify Us in accordance with clause 24, before the Cancellation Period has expired, confirming that You wish to cancel the contract.
- 22.4 If You cancel Your Order during the Cancellation Period. We will confirm Your cancellation in writing to You.

23 YOUR GENERAL RIGHT TO CANCEL

- 23.1 On expiry of the Cancellation Period and once We have begun to provide the Services to You, You may cancel the contract for the Basic Service at any time by providing Us with at least 30 calendar days' notice in writing.
- 23.2 You acknowledge that the Premium Service is an annual subscription based Service and unless either We or You cancel it earlier, it shall continue for an initial period of 12 months and thereafter, the contract shall be automatically renewed for successive periods of 12 months unless cancelled as set out below in clause 23.3.
- 23.3 You may cancel the Premium Service at any time by notifying Us in accordance with clause 21 below and by giving at least 30 days' notice, such notice to expire at the latest at the end of a relevant annual subscription 12 month period. Please note that We do not provide refunds of any Fees which You have already paid, in these circumstances. It is Your responsibility to cancel the recurring Fee for the Premium Service and We may charge an administration fee for dealing with any refund request arising as a result of Your failure to cancel Your chosen payment method in good time.
- 23.4 Once We have begun to provide the Services to You, You may cancel the contract for Services with immediate effect by giving Us written notice if:
- 23.4.1 We break this contract in any material way and We do not correct or fix the situation within 14 days of You asking Us to in writing;
- 23.4.2 We go into liquidation or a receiver or an administrator is appointed over Our assets;
- 23.4.3 We change these Terms to Your material disadvantage; or
- 23.4.4 We are affected by a matter beyond Our reasonable control as set out in clause 26 which affects Your enjoyment of the Services for longer than 14 days;
- in which case We will refund You the proportion of the Fee that You have paid in advance that is equivalent to the remaining period of the 12 month subscription.
- 23.5 In any case where You would be entitled to cancel this contract, instead of cancelling the contract as a whole, You may elect to terminate individual elements of the Services only, by serving notice on Us to that effect, specifying those Services which You are electing to terminate.
- 23.6 If You choose to exercise Your right of partial termination under clause 23.5 the provisions of clause 24 will apply only to those Services which have been terminated, and these Terms will remain in full force and effect in respect of all other Services already performed, or currently in progress, or to be performed by Us in future under the contract.

- 23.7 Please note that if You cancel Your contract for the Premium Service but retain Your contract for the Basic Service in accordance with clause 23.5 then You will lose access to certain services and functionality, including the right to send and access certain attachments.

25 OUR RIGHT TO CANCEL

- 25.1 We may have to cancel an Order before the start date for the Services, due to a matter beyond Our reasonable control or the unavailability of key personnel or key materials without which We cannot provide the Services. If this happens We will promptly contact You to let You know and if You have made any payment in advance for Services that have not been provided to You, We will refund these amounts to You;

- 25.3 We may cancel the contract for Services at any time with immediate effect by giving You written notice if:

25.3.1 You do not pay Us with 14 days of when You are supposed to as set out in clause 15. This does not affect Our right to charge You interest; or
